Raise money!

Hi there!

We are participating in a read-a-thon fundraiser to help our school raise the money it needs. Instead of selling candy, all of the students are reading books and keeping track of them on their online profiles. It's a win-win: the money donated improves our school, and reading books helps children become better students.

We are raising money for: For student based materials and special programs (ex: school wide assemblies).

Could you please become a sponsor?

Unlike other fundraisers that sell things, our school **KEEPS 85%** of every donation!

Some recommended pledge levels are: \$10, \$20, \$50, \$100, but please give whatever makes you comfortable. Every bit helps.

Make checks out to:
Saratoga ES PTA
8111 Northumberland Drive
Springfield, VA 22153

Thank you so much for supporting our school!

Sincerely,
